Price List 2026

Digital Measurement Solutions for Professionals

Valid from 01 Jan 2026

All prices net, plus statutory VAT.

1 Direct Customers (Craft & Installation)

The pricing structure for direct customers is simple and transparent.

License model	Scope of services	Price (net)
Monthly package	Use per company, incl. standard updates	50.00 € / month
Annual package	Price with annual advance payment	600.00 € / year

User Management & Scaling

Only measurement technicians & office admins are counted. From the 21st person in this group, every additional pack of 20 adds +50 €/month. Installers are not counted. Example: 25 technicians/admins = 100 €/month.

Onboarding Packages
